Editor's Letter

Yikes – a quick look at the calendar tells me that this issue is due to hit the shelves a week before Valentine's Day. Well, we say screw all the usual tat – why not buy the one you love a treat that'll keep a lot better than a bunch of flowers or a box of fattening choccies… a pressie that'll delight, entertain, stimulate, arouse and fascinate in equal measure! Can you see where I'm going with this one? That's right, what I'm trying to say is go on, buy this mag as a special present to yourself. You know you deserve it for everything you've had to put up with all year!

Michelle Thorne's
SPUNKMAIL

Anything to say about our last issue? Then this is the place to do it! Come on, Michelle's gagging for it!

Send me your letters to: Men Only, 23 Lyon Road, Hersham, Surrey, KT12 3PU or mail menonly@paulraymond.com

Dear Michelle,

You must know that us students love to read *Men Only* – and, err, look at the pictures, of course! Well, the other day I was lucky enough to witness something that I thought would have made a great photo shoot for your mag! Unfortunately, I had no camera to hand (or the balls to do anything with it, even if I did!), so I'll just have to tell you about it instead…

In our student union building, we hold weekly club nights, where pretty much everybody goes in order to get hammered and try to pull. As it's a union rather than a proper club, there's no security (so you can generally get away with a lot more!) and a few things seem out of place for a room to be partying in. For example, in an alcove in the corner of the main hall there's a passport photo booth, which is used for class registrations and student passes, amongst other things. However, on a club night about two weeks ago, I was taking a breather in this area, and was feeling pretty frickin' wasted, when I heard some giggling and movement coming from inside the booth.

Moving slightly for a better look, I saw two pairs of women's legs below the flimsy curtain, facing each other. Suddenly, one of the women sat down, and I saw the other pair of high heels that had been stood up move forward and then dangle, as if she had mounted her partner on the stool. I surreptitiously slid down the wall, pretending to be more out of it than I was, so my eyes were in perfect line with the bottom of the curtain. I'd never thought of myself as a peeping Tom before, but I got the most thrilling feeling when it occurred to me that I could now see both pairs of thighs, and the hands of the girl sitting down groping the arse of the girl astride her!

The girl on top was grinding against the other, and they were clearly snogging passionately. The next thing I knew, her skirt was being pushed back, revealing lovely fleshy thighs and a glimpse of her black underwear, as the hands groped her now bare skin. My dick was tensing and throbbing inside my trousers and I was dying to get it out and do exactly what I do when I get a copy of your magazine home!

As I watch, transfixed, the show began to get even better (or worse, in my throbbing cock's case!) as the girl sitting down smoothed her hand over the fantastic thighs that were wrapped around her and finally plunged it between her friend's legs.

I was virtually lying down now, and, craning my head (not particularly discreetly, it has to be said!), I could see the girl on top thrusting away at the fingers that were obviously frigging her clit hard, as the part of the arm that was visible to me was shaking vigorously. I realised I was holding my breath as she now lifted herself up slightly, before impaling herself on the hand, edging her thighs further up her friend's lap and rocking on her fingers. The girl sitting down began to yank her own skirt back, and on seeing both pairs of naked thighs pressed together, I shifted uncomfortably in my jeans, the denim bunching up tightly around my hardening cock. It was almost too much to bear.

As I watched, the girl that had one hand being ridden, sneaked her other one down towards her own fanny to strum her clit, the back of her hand arching above her mound as it reached its goal. I could make out perspiration on the thighs of the girl getting finger-fucked and I heard a vague moan, her thighs tensing and relaxed rhythmically as she came, and I couldn't help but imagine that she was soaking her friend's knuckles with her sticky, clear juices.

Standing as her orgasm subsided, I jumped, thinking they were about to emerge from the booth. I was mistaken, however, as the girl now standing pulled her mate to her feet and spun her around. Bending her over the seat,

CHIK'S FOR FREE!

Dear Michelle,

One of the things I love most about your magazine (apart from the obvious, that is!) is the way you like to mix up new models with more established favourites, so in your last issue we got the ever wondrous Chikita and her lovely 'innie' nipples (given the chance I'd suck them for so long they'd have to turn 'outie' before I'd done!) and then, just a few pages later, a beauty like Vanessa making her *Men Only* debut. As for the feature about the Lady Gaga movie, well I'm not really familiar with the real Lady Gaga's work, but it certainly looks like Lord Gaga's got his hands full! Keep up the good work!
Geoff, Tamworth.

Michelle says: Cheers Geoff. I'm a bit of a Gaga fan myself, and I'm pretty sure there isn't a Lord Gaga waiting at home for her. Wouldn't mind getting my hands on her myself, though – or (even better!) Helly Mae, who played her in the film!

CHANTELLE

Photos: **Exposurezone**

Well, the long wait since the last issue is over, and we're back and out of the traps at a cracking pace this month, thanks to Chantelle here, who's got one of the hottest bods we've seen in many a moon (and bear in mind, we're actually paid to sit around looking at hot bods!). It's like she's been specifically designed to drive men wild with lust!

"Ha, that's very nice of you to say, but I don't always look like this, you know! After all, this is a magazine shoot, so I've spent a lot of time on my hair and make-up, but if I want to I can walk down the street without turning any heads at all!"

Really? We find that very hard to believe, unless you're in the habit of wearing some sort of burqa when you're out and about!

"You don't need to go to those extremes. It's amazing what a pair of thick glasses, a baggy jumper and a messy hair-do can achieve."

Hmm, well that sounds like a bit of a challenge to us. Next time you're out and you spot a girl looking a bit dowdy, give her a closer look, because you might just find the stunning Chantelle hiding under there! And if it isn't, well who's to say there aren't plenty of other stunners who like to hide their lights under a bushel as well…?

the girl who had already come dropped to her knees (giving me a great view of her lush, ample boobs) and, shoving her head between her friend's bumcheeks, began slurping away at her pussy. I mean, there were no inhibitions or fears of being caught here – I could hear everything she was doing as she sucked away, making her mate gasp and moan. As her fingers explored and delved into the wet snatch before her, she shifted her mouth's attention to the puckered hole above. My hard-on was raging by now – I had never actually seen two babes rimming each other before, except on a porno, even if they were faceless to me. In fact, that just made the whole experience even more exciting; they could be just about anyone on campus!

The girl bent over the stool was now thrusting back against the fingers buried in her twat as they pumped in and out, faster and harder, her soft moans turning to more pronounced cries, and, as she banged a hand hard against the side of the booth (making me jump, once more), I realised she was climaxing. I thought she'd bring the bar running when she let out what can only be described as a stifled scream, but luckily the music was too loud, or everyone was too pissed. As she came down, her friend returned to lapping at her pussy, sticking her tongue out and running it the

> "I could hear everything she was doing as she sucked away..."

Dear Michelle,

For me, the highlight of the last issue had to be Sam, even though you only ran her in the back! I seem to remember seeing a set of her (when she was called Samantha?) a year or two back, and I fell for her fantastic figure there and then, but since then have been waiting in again to see her again. At long last my wait is over! Loved the picture of her on page 96 – it's not every girl who can look this sexy when they're upside down, but Sam pulls it off alright… and she's inspired me to do the same to myself several times since I got my hands on the issue!

More Sam and her lovely boobs soon, please!

Frank, Stockport.

Michelle says: Ah yes, she appeared in 77.05 as Samantha, which was a bit too long ago, wasn't it! I'll have to give the Ed one of my special telling-offs about that!

his PIPEDREAM'S PROSTATE STIMULATOR

Bedroompleasures.co.uk
£19.99

Yeah, we know that it's still be quite a taboo subject, or you may not fancy the idea of sticking something up yer jacksie, but listen up – according to that science thing blokes who regularly massage their prostate are less likely to develop prostate cancer than those who don't. Plus, it feels amazing (they tell us!) when you hit that spot! Converted? Good. This curved stimulator is perfect for beginners, as at 4" it's not too big and the head isn't too bulbous, so insertion is relatively easy. Plus, unlike others in the same category, this one has soft little nodules where the toy hits your perineum (or taint, if you prefer) when inserted, giving you pleasure externally, too. Hey, it's 2014 – try something new!

Nicennaughty.co.uk

Named 'strong one' for good reason, the Stronic Eins is a whole new breed of sex toy. Sure, it's a lot of dosh (no, that isn't a typo), but with its ingenious and innovative thrusting motion – due to the powerful, rechargeable motor being situated in the base – it's not just any buzzing sex toy thing . Indeed, the soft, waterproof silicone body screams quality (albeit very quietly) and by pressing the simple buttons, you'll find it's blessed with 10 pulsating rhythms (not vibrations) coupled with various speeds and thrust patterns, making for a unique, and actually rather realistic, fuck every time. The Stronic Eins – there's a chance you may never leave your bedroom again!

full length of her crack. It was the horniest thing I have ever fucking seen!

As much as I wanted to stay for the end of the show, I thought I'd better get out of there before they caught me drooling. Needless to say, my next stop was the toilets – and a locked cubicle – to relive what I'd just seen in my mind, and sort myself out!
Justin, Nottingham.

> "The girl was now thrusting back against the fingers buried in her twat..."

Dear Michelle,

As you admitted yourself, Clover (49.01) isn't a typical *Men Only* model, and personally speaking I think you should keep it that way. She was very pretty and everything, but I prefer a bit more meat on my bone, if you know what I mean, and she was definitely a little undercooked for me! There are other magazines which cater for a more 'teenie' market, so please leave Men Only for us boob and bum lovers! Still, rest of the mag was great – Sasha, Chikita and the magnificent Stacey! Now that's what I look for in a woman.
'Boob Man' Dave, Harold Hill.

Michelle says: Hmm, well it takes all sorts, Dave, but yes, Clover was definitely something a little different. For myself, I thought she was incredibly hot, with one of the loveliest pussies I can remember seeing for quite some time. Anyone else got any thoughts on this one...?

KAYDEN

Photos: Tammy Sands

Mmm, the delectable Kayden Kross giving us a taster of what her lucky groom will be sampling on her wedding day! We don't know who the jammy blighter is yet (or even if she's got someone in mind) but we're already dead envious, knowing that one day Kayden'll be getting dolled up like this for real before treating her loved one to the wedding night to end all wedding nights! So Kayden, have you got anyone in mind yet?

"No, not yet! I'm having too much fun in this industry to think about getting married yet, although a lot of the guys do get married and some of the marriages even last for a while!"

Hmm, so do you think you'd wait until you've retired before tying the knot?

"Well that was my plan, but now I've got this bridal wear on, I've kind of got an urge to get married sooner rather than later. All this lacy stuff is getting me really horny, and if this is how hot I feel just doing a shoot for you guys, just imagine how horny I'd be on my actual wedding day!

Christ, we can't even begin to imagine how you could be even hornier than you are right now!

Has your girl been getting up to anything naughty lately? If so, why not get her to write in to us – and if it's raunchy enough to use in Miss Behaviour she'll earn herself a double dip busting £50! Miss BEHAVIOUR

Real Life Adventures

Valentine's Day has got Karen in season…

I always feel hornier than usual in the period leading up to and following Valentine's Day. Its not just the thought of that cheeky little cherub firing his love-fuelled arrows at unsuspecting couples, but the way the evenings are gradually beginning to brighten again. I feel the long-awaited approaching warmth of Spring in more places than my bones - in fact my clit starts throbbing the moment we get a bright spell between showers!

I love the outdoors and like to take a turn in the park during my lunch break. It was during my break around this time last year that I met Ben. I had just pushed my sandwich wrapper in a bin when I saw him picking a daisy beside the grass in a secluded spot behind a stand of trees. I was immediately attracted to his dark handsome features, and cheekily approached and asked him if he was picking the daisy for anyone special.

He smiled, looking me over with a thoughtful expression, as though weighing up my reason for disturbing him, and assessing my suitability for his attentions. He seemed to like what he saw because he smiled back and offered me the little flower with a flirtatious bow. I took it, and, twirling it between my fingers, stepped in close and kissed him on the lips.

He reacted less gallantly than I'd expected but a great deal more passionately than I'd dared to hope! Wrapping his arms around me he plunged his tongue inside my mouth. We enjoyed a very sensual kiss, and as our bodies pressed together I could feel his stiff cock pressing against me through our clothing. Grinning to myself I dropped my hand to the protrusion in the front of his trousers and gripped it gently, teasing him as I rubbed it lightly. He moaned with arousal, begging me not to toy with him if I had somewhere better to be than in his bed for the rest of the afternoon.

> "Clenching my pussy muscles around his throbbing shaft, I impaled myself..."

Giggling like a kid I rummaged in my pocket for my phone, and, calling work told them in a depressed, hoarse voice that I was feeling really sick and would not be back that afternoon.

Ben was delighted and within an hour we had taken the bus to his place and were naked on his bed.

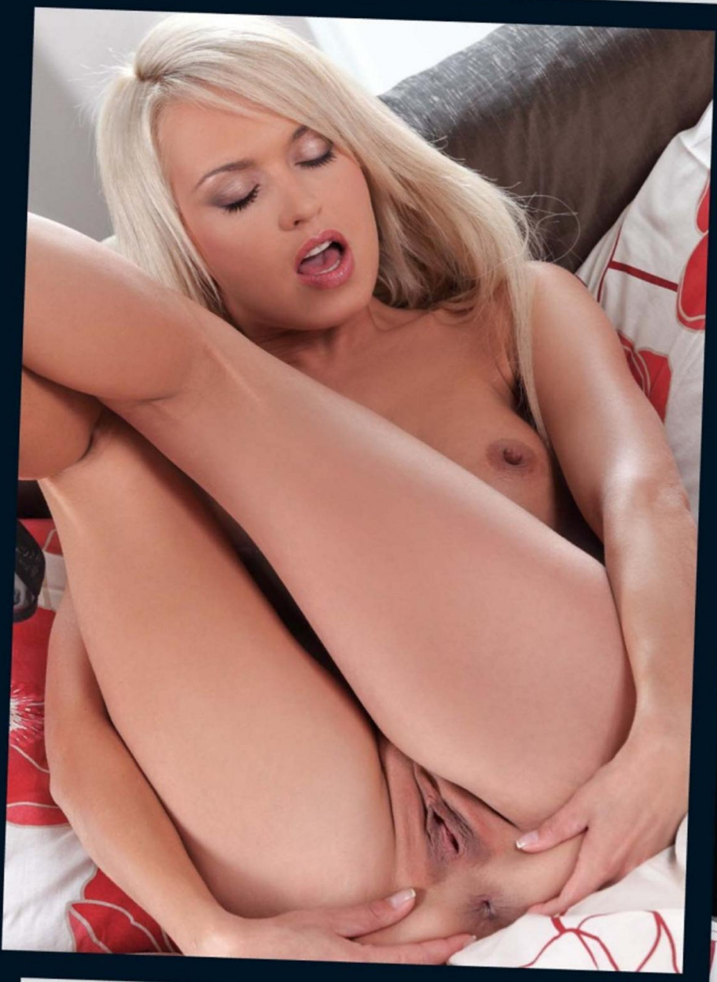
I sat astride his muscular body and lowered myself onto his fully erect cock.

I was glad to find that he was as well endowed as the large bulge in his trousers had led me to believe. Grasping his rigid cock in one hand I lowered my soaking wet pussy down onto it, allowing myself time to enjoy the full pleasure of sinking slowly onto his thick member.

Clenching my pussy muscles around his throbbing shaft I impaled myself, moving my convulsing pussy round and round and side to side, making Ben gasp with pleasure as I raked my long painted nails lightly across his broad chest.

My pussy ached with need as his thick cock filled and stretched it. I moved up and down now, riding him with total abandon and sending myself into spasms of delight as the friction of my pussy against his hard rod brought me to the edge. Ben knew he had me, and caressing my tits gently with the palms of his hands he waited until I could hardly bear it any longer, then he ran his nails across my flint hard nipples, making me gasp as he pinched them sharply, making me come off like an exploding rocket.

Afterwards I must have knelt astride him for a few moments with a stupefied look on my face. Then Ben moved me, and rolled over on top of me. As he began



kissing me again I felt disappointed that I had not been able to make him come with me. I told him so, but he told me he had been holding back so he could try something different.

Having enjoyed myself thoroughly already I happily agreed to anything he wanted to try. Ben laughed and remarked that it was as well that we were having our fun during his neighbours' working hours, because we were making a lot of noise.

Ben asked me to stand at the side of the bed and bend over so I could lean on it, as he wanted to take me from behind. I love being fucked from behind and was right up for it, so when he lined his cock against my slit I thrust my arse back so that his big hard cock was forced inside it.

Ben gripped my hips, intent on fucking me nice and slowly. At first he teased me by running his cock up and down my bum-crack, and rubbing his thick cock-head up and down my inflamed labia, making me quiver and groan.

My pussy was so hot that my juices ran down the inside of my thighs as I squirmed and bucked, trying to make him fuck me faster and harder, and at last Ben gave in and allowed me to have it my way.

I thrust my arse-cheeks back to meet his cock as it ploughed between my swollen labia, ramming itself deep inside my red-hot pussy as fast and as hard as I could move with it.

With each thrust Ben filled my pussy with his big hard cock, plunging it in to the hilt each time. The scalding friction created divine sensations each time his rigid shaft was shunted home and as I became aware of his balls slapping against the tops of my thighs I felt another glorious orgasm begin.

Then Ben paused for a second as though labouring to catch his breath, but he was only gathering more momentum, and with two final hard thrusts he filled my pussy with his steaming hot load and we came off together, struggling hard to stay on our feet, until finally we both collapsed on the bedcovers, delighted by our stolen afternoon of love.

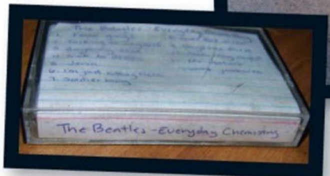
LISTEN TO JOHN, PAUL, GEORGE AND RINGO'S LATEST

http://thebeatlesneverbrokeup.com/

Someone on a train once told me "If you're going to tell a lie, make it a whopper." The same person must have been sitting opposite website owner and "otherwordly" lost Beatles album pusher "James Richards".

"James", who admits this isn't his real name, claims to have visited another dimension in which the Beatles are still performing. Whilst there he had the presence of mind to grab a cassette containing their most recent offering: Everyday Chemistry.



"I don't expect you to believe what happened to me. I sure wouldn't, but that's why I grabbed the tape as proof that my experience was real!"

James insists that one day in 2009 he tripped, banged his nut and woke up in a strange room with "a funny machine" in it. A man named "Jonas" came in and told James that he "had transported me to a parallel Earth… We also started talking about music… there were many of the same bands [in common] between our worlds, including The Beatles. Jonas mentioned that his brother just got back from seeing them perform. I gave a weird look and said, 'You mean they are still together?', and he said 'Yeah'."

He even had a bootleg cassette of their latest album, but when "James" asked if he might borrow it "Jonas" became vicious. "No, you are not to take anything with you back to your world!"

The moment Jonas's back was turned James pocketed the cassette tape, returned to our world and made it available for download. I've given it a listen. The songs are repetitious riffs drawn from existing Beatles material and crude mash-ups from their albums – i.e. the ones they made in the dimension we call "the 60s".

DRINK MILK SOME UPPITY BIRD HAS ALREADY SPAT OUT

http://www.whitepowermilk.com/

Order and sup milk that's already been gargled by any one of a shower of supposedly high class trollops for big bucks. Because to those who view the bints' profiles showing them doing it, it looks like they're blowing bubbles of semen. Yes you heard me, don't pretend.

This is a nasty, nasty site – on so many levels – aimed to excite gents who have so much money they can quite literally afford to piss what it buys against a solid gold wall. To use the service provided by the webmasters and their female stooges you'd want to be haemorrhaging cash and mentally ill to begin with. As for being physically sick… well, given that everyone carries a skipload of parasites, bacteria, viruses, and fungi in their mouths and gullets, you are almost certain to start feeling wonky after you've availed yourself of White Power Milk's expensive and insanitary services.

The owners of this site are singularly slimy. Just listen to how they try to get round the problem of not just saying plainly "It looks like our rich, well-bred socialite girls are gargling spunk" by proclaiming "We create a select beverage that is not only more healthy for your body, but is culturally superior… You deserve the best." Adolf could not have phrased it better. Nor lied more convincingly.

It gets worse. "Through extensive recruitment within the upper echelons of society, we deliver the finest milk purified in a way only we can. Rich, beautiful, white girls gargle your milk to absolute perfection. All are waiting to clean your milk with their mouths.

"To be eligible to filter White Power Milk, each white girl must be accredited as socially elite and deemed physically in superb health. When we find the right girl from the right family, we just know."

QUICK PICKS

Virtual Hugs From Creepy Webcam People
http://thenicestplaceontheinter.net

An unintentionally creepy site which just shows one long full-screen video of people from around the world pretending to embrace you (i.e. their webcam), smiling and giving the peace sign or a high five, all while an off-key girl sings a song she sounds like she's making up as she goes along.

the nicest place on the internet

The explanation? Well, this is all you get: "Hi. Welcome to the nicest place on the Internet.

"Having one of those days? Yeah, been there too. And sometimes, a little pick-me-up is hard to come by. So come on by to turn the sad into the happy and the happy into a celebration. Cause this is a nice place to visit…"

They also invite you to "record a hug and share the love" by uploading your hug to their Youtube channel.

All harmless enough I daresay, but for reasons I am unable to fathom, all the fake hugs I got made me feel lonely and tearful and more alone than ever before in all my life. When I finish writing WebRat this week I am going to hang myself or jump off a bridge.

Mechanised Cheating
http://essaytyper.com

The name of the site rather says it all, offering a free service in which you can generate an entire essay without doing a hand's turn or understanding what in hell you have written – secure, however, that every word is on topic.

Step 1: Simply enter a subject (as long as the site likes the topic – I tried "Outsized Arses" and was told rather curtly by an automated message "We don't type about such things" or "This is not a suitable theme for an essay" or some such obstructive bollocks.

Step 2: Keep tapping the space bar on your keyboard. With every tap another sentence of your essay will appear.

It's actually quite impressive, since I can't determine from whence the perfectly grammatical information is being sourced. Certainly it's not Wikipedia, and the end result is rather fetching – and would probably pass muster in a deadline-but-no-essay crisis.

Having said that, the prose is more than slightly stilted and looks a tad computer generated… so I wouldn't use it for your PhD.

ISABELLA

WorldMags

Music lovers were quick to write in to tell us how much they appreciated the pictures of Sara draping herself rather immodestly over a piano a couple of months ago, so we thought we'd repeat the trick with Isabella here. Although when we say 'Music lovers', we really just mean readers who've got a functioning ear or two but who appreciate the sight of a sexy woman when they see one!

Isabella here certainly seemed to know her way around a piano when we were getting ready for this shoot, sitting down with her curvy bum atop the piano stool and giving us a passable rendition of that famous bit from Swan Lake.

"I had piano lessons for years when I was younger," she explained, before adding that she only really lost interest in training as a musician when she discovered boys. Well, music's loss is our gain, we guess!

Of course we pretended to be interested in and appreciative of the piano playing, but we were far more enthralled by those lovely curvy butt-cheeks! Isabella got through her performance without any noticeable bum notes, but rest assured, we'd already made a note of her bum!

MAYFAIR

“I like it in my ass. I like anal sex better than anything else, both in my personal life and on camera...”

Danica DILLON

In summer of 2009, this midwestern babe arrived on the American porn scene, and what an arrival it was! Danica Dillon is a hot brunette with an all-natural sexy body who was born in Ashtabula, Ohio on January 4, 1987 of German, Indian and Irish heritage.

She looks like a young, innocent Eva Longoria and is as nasty as you could wish - definitely dream wife material. After some 100 sex scenes, Danica is also becoming one of the better performers out there, and was nominated Best New Starlet in 2011.

The former stripper is 5'3" with a slim 34B-27-32 and clean-shaven body. Danica became known in short order as a decidedly hardcore girl, and put that quality on display in numerous major releases, most of them being anal themed.

Although she looks like a sweetheart, she actually has a very dirty sexual repertoire, a remarkably foul mouth, a short temper... and she swears like a truck-driver!

What do you have left to do sexually, that you are curious about?

I'm still trying to figure out the G-spot. I hear those orgasms are intense. But I come as soon as a guy enters me so I'm wondering what could possibly feel better than that!

Do you have a favourite body part?

Not really, I imagine my pussy and my ass are OK. But I'm also young, flexible and nimble from my stripping career and that should count for something, I would hope…

So did stripping get you into porn?

Yes, but it was a fluke, really. Jenna Haze came to feature dance at the San Diego strip club where I was working at the time. We became friends and she gave me a porno to watch…

Did you regularly watch porn prior to meeting Jenna?

No, never. But I thought she was so pretty and I wanted to check out her scenes. She said I would be perfect for porn. And then she helped me find an agent. Two weeks later I shot my first sex scene.

Text: Lobo Press **Photos:** Hustler Video & Wicked Pictures.

“I’m happy with any cock I can get. I appreciate stamina more than inches.”

Would you consider yourself bisexual?
I guess. I was very experimental growing up. Sometimes I like to throw a girl in the mix, but I always stick to the dick.

And where would you prefer to stick it?
I like it in my ass. I like anal sex better than anything else, both in my personal life and on camera. The first time someone fucked my ass, I was only seventeen but I became totally hooked.

Do you have any other skills?
I do the stringy blow-jobs really well, too. I learned that from practicing on an older guy when I was sixteen. He was a dribbler.

What kind of underwear do you usually wear?
Pastel coloured schoolgirl boyshorts, and no bra.

What's the biggest misconception people have about you?
People think I'm this innocent, blushing flower *(Blimey – do they?! – Ed.)*, which is very strange because I'm really quite perverse. I'm not the girl who has a lot of sexual hang-ups.

What's the most guys you have had at the same time, at home?
In my personal life, I've had three. That has only happened once, though. It's hard to go out and find three friends who are willing to fuck you. They might be horny, but there is always one who will be too shy to take off his pants when it comes down to it… Usually the guy with the smallest dick will bail out, when he sees his friends naked!

Is dick size important to you?
It seems to be a lot more important to the guys! I'm happy with any cock I can get, honestly. I appreciate stamina more than inches, anyway.

What kind of studs do you usually request to work with?
I like them to be fun. We have long days, so it's important that we can laugh and joke. Overall, I don't like negative people.

What are you like, as a girlfriend?
I can be a little bossy. So I need someone who is stronger, someone who can control me. I guess all women are bitches when given the chance. I tend to obsess over things, so sometimes I need to get fucked hard to shut up!

What do you do on your days off?
Play with my cute Chihuahua, listen to music or go out for sushi with friends. I'm quite restless so I'm always busy doing something.

What's your pet peeve of what can happen on set?
Sometimes the craft service food is really bad. Or, if it's good, the crew finish everything while the actors are in front of the camera so before the cast has a chance to eat, it is all gone. That can be really annoying!

OK, well, how about something fun?
I always know it's going to be a fun day when I meet someone new on set and realize that you're totally attracted to him or her. I get turned-on easily, so I know the second I say "hello" that the attraction is there and we'll have a good time.

How long do you plan on sticking around?
I feel like I'm just beginning to get the hang of it, so I'll stay in porn for at least another year. I work really hard and I'm totally determined to make a name for myself.

Cheers Danica!

NATALIA

Photos: **APD Nudes**

Natalia Forrest – isn't she just about the foxiest looking British babe on the scene at the moment? There's something about that look in her eye that gives you the impression that she's a slinky type who knows exactly what it is that's on your mind…

"Well, given that I'm taking my clothes off and playing with myself for you, I'd certainly hope to have an idea what's on your mind!" she laughed when we commented on this, and as it turned out, she was absolutely right! In fact it tends to be on our mind pretty much 24/7 as it is, even when we're not watching one of the nation's favourite flampers diddling her slit not three feet in front of us!

Anyway, we thought we'd try and set her a test by thinking about something else but as she stroked herself off, we couldn't think of a single topic that could occupy our mind for more than two or three milliseconds at a time, so that was the end of that. As to whether Natalia really does have mind-reading capabilities, we guess we'll never be able to find out!

EMILY

Photos: **Steve Colby**

Native Londoner Emily B is making her *Men Only* with this set of pictures, and we're sure you'd all like to extend her a warm welcome! After all, home grown honies with the vital stats of 30F-23-33 are few and far between (more's the pity), so whenever we come across one we like to make them feel at home! So Emily, this is your first appearance on the top shelf – what made you decide to take the plunge?

"Well, I've appeared in quite a few middle-shelf lads' mags, where the guys all seemed to be pretty crazy about my boobs, but I kept getting letters asking if I was ever going to get a bit ruder. In the end I thought 'Why the hell not!'. I've got a kinky side, and I don't see why I shouldn't share it with the rest of the world!"

Quite right too – those lads' mags are all very well, but real men want a bit more than the odd cheeky topless shot, and we're delighted you've decided to honour us with your first full-on shoot!

"I'm very happy to be here. When I think of all the fantastic modelling legends who have appeared in *Men Only* over the years, it's a real thrill for me to be able to join them!"

Wow – a lovely face, stupendous boobs and a modest streak as well – we think we're in love!

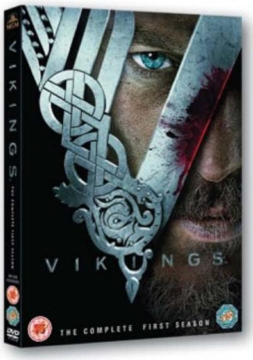
Wondering what to watch before all the great TV series start again in the spring? Well fear not – we've got a few suggestions up our sleeve!

DVD



Vikings

20th Century Fox

DVD of the Month

8/10

Well, word has it there's a new season of *Game Of Thrones* coming our way in a couple of months, but the programme's clearly been praying on TV commissioners' minds, because 20th Century Fox's *Vikings* has more than a whiff of *GOT* about it. OK, so it's not strictly fantasy, and claims to be based on actual historical characters (it even aired on The History Channel, which now just calls itself History), but what's it actually like…?

First off, it's a joint production between Irish and Canadian broadcasters and (Like *GOT*) is largely filmed in Ireland. Travis Fimmel plays Ragnar Lothbrok, a typical Viking bloke who, as well as working his land, fancies a spot of plundering over in England. Well, that's bad news for the monks on Holy Island, because Ragnar comes up with a better class of longboat and soon takes to the waters…

It's all great fun, and while you can't really imagine it being shown in schools as an educational tool, at least there are no dragons. And with a cast that includes Gabriel Byrne, it's a classy enough act that'll help you while away 400 or so minutes in fine style.

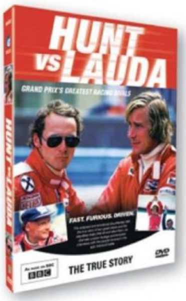
Hunt vs Lauda

Delta

Anyone who saw *Rush* (reviewed here last issue) was probably left wondering to what extent that dramatisation reflected the reality of the 1976 Formula 1 season. Surely they cranked things up a bit, didn't they? Well, here's a timely release from Delta (which first aired on the Beeb last year), in which we find out that, no, not really, that's pretty much just how it happened! As a testament to Niki Lauda's astonishing return to the racetrack a matter of weeks after a crash that would have had most of us heading off into retirement – and Hunt's reckless pursuit of the title at all costs – this is amazing stuff!



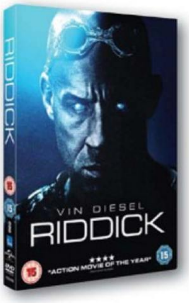
7/10

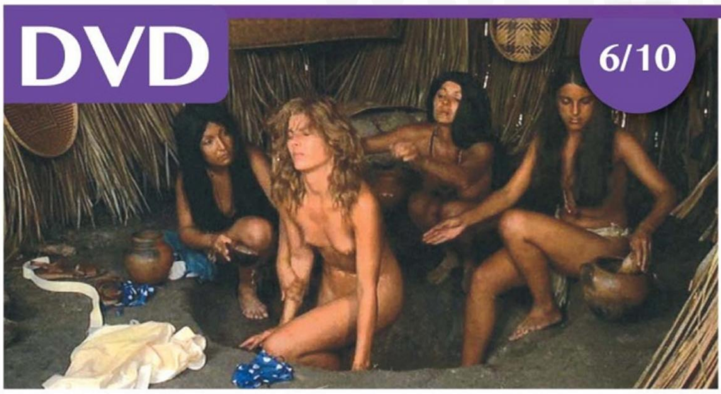
DVD

Riddick

Entertainment One

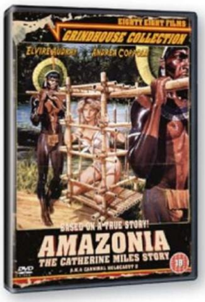
Poor Vin Diesel – he doesn't often get an easy ride, does he? This time he's playing all round hardman and badass Riddick, whose earlier misdemeanours with the necromongers (surely even worse than coster-, fish- and even war- varieties) sees him dumped on a hostile planet and left to rot. Well, you can't keep a bad man down, though, and soon he's got to grips with his horrible environment and is planning his revenge. A well-realised actioner that'll keep Dieselheads and sci-fi/comic lovers thoroughly entertained!





Amazonia

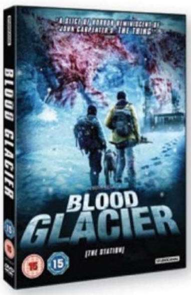
Eighty Eight Films



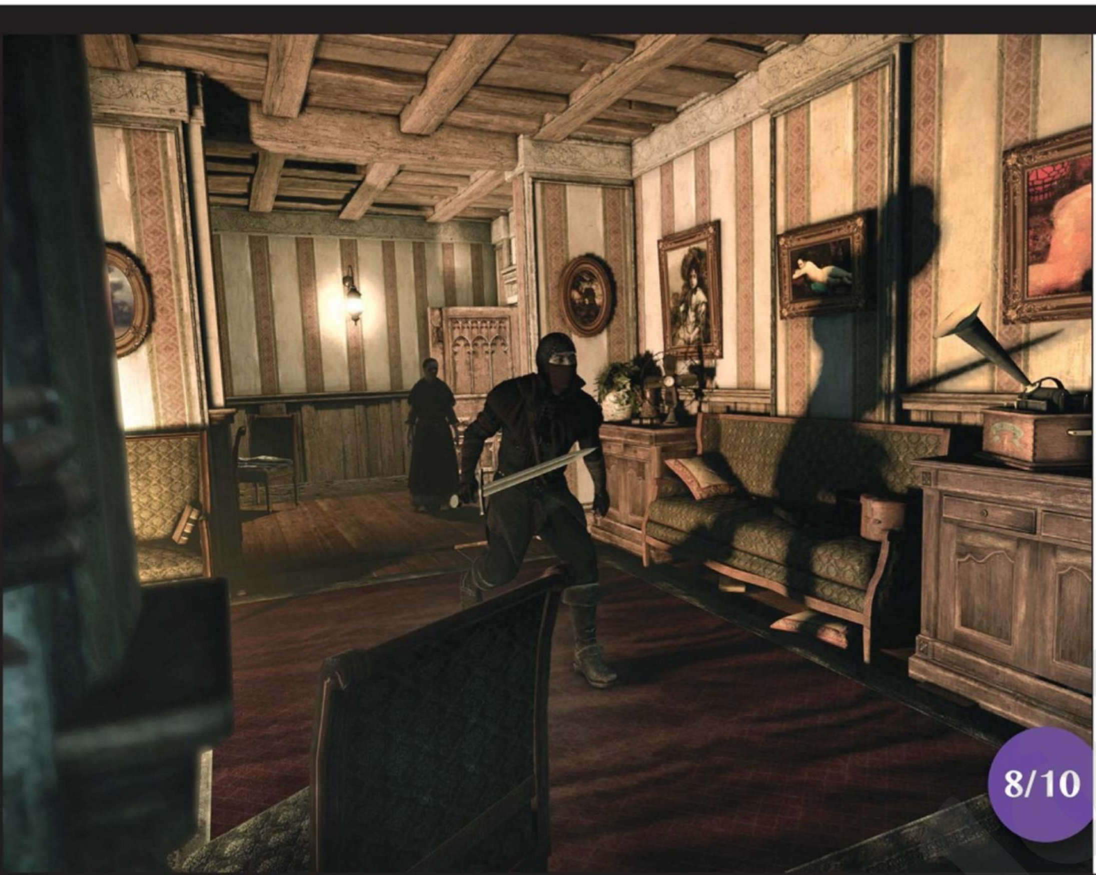
Ha-ha – this classic Italian exploitation flick from 1985 (yes, they were still making them even then) claims to be based on a true story, but we rather think the word 'loosely' should be slotted in there somewhere! Dishy Elvire Audray plays a young girl who, while in the Amazon with her parents, has the misfortune to be orphaned and kidnapped by a nasty bunch of natives. Still, she's kept alive (and semi-clad) and sets about planning her vengeance. Sub-*Cannibal Holocaust* fun for all the family… assuming all the family like full-frontal, gory cannibal action, that is!

Blood Glacier

Studio Canal



And we round off our films guide with another bonkers foreign offering – this time one that's bang up to date (and which has been doing rather well in the rental/streaming market these last couple of weeks, too). Also known – rather boringly – as *The Station, Blood Glacier* revolves around a group of German researchers in an icy outpost who stumble upon a… well, yes, a blood glacier. Things turn really nasty when the glacier starts to melt, though, with animals coming from far and wide to slurp it up. And then turn into hideous cross-breeds that are thirsting for human blood as well!



GAME

XBOX 360
THIEF

SQUARE ENIX

Thief

Square Enix

PS3, PS4, X360, X0, PC.

Ever thought about playing a game in which violence is very much a last resort rather than, you, know, something you turn to almost as soon as you've got your thumbs in position? No, us neither, but that's what *Thief* is all about. Stealth's the name of the game here, in a game that involves even more sneaking around than trying to watch a porn vid when the missus has gone to bed.

Gaming aficionados will recognise the title, and indeed the Thief franchise dates all the way back to the 20th century, when *Thief: The Dark Project* first came out. So here were are in 2014 and this isn't, of course, a new instalment, but a 're-boot'! As per the old days, you play Garratt who's the titular tea leaf. And that's it, really. Half-inching stuff becomes increasingly difficult as you go along, with security guards moving from mouth breathing numpties to characters who are (almost) capable of doing their actual job.

With a steampunk look and a feel not unlike *Assassin's Creed*, it's a visually pleasing way of bigging up the sticky fingered.

COPY CATS...

My 19-year-old girlfriend, Beth, is the dirtiest girl I've ever known. She only started having sex after she moved out of her parents' house at the beginning of the year but now she's started, she just can't stop. She wants to fuck practically all the time, and particularly enjoys fucking in places where we might be seen or caught. I've never been one for exhibitionist sex but if that's what it takes to keep this hot, horny teenager happy, I have to do it or someone else will. When you're onto a good thing, you should try to stick with it.

> "Beth pulled her underwear free and plonked herself down on the glass."

Beth was texting me incessantly while I was at work on Monday. They started as flirty messages about what I should expect when I got home. She even sent me a picture of the knickers she'd bought during her lunch hour and suggested that I could pull them down with my teeth later. As it was, I had to work late. "Late?" she asked. "What time do you think you'll be back?"

"Maybe eight-ish," I replied.

"Eight? I can't wait until 8 O'clock. I need to be fucked by six at the latest. And if you're not going to do it, I know plenty that will!" I panicked at the threat. Beth was certainly the kind of girl who could pick up a man and carry through with it.

"Why don't you come here?" I asked, not really thinking things through too clearly.

"You want to fuck me at work?" There was a pause. "Actually, I like the sound of that. Me with my tits pressed against a photocopier. Maybe we could leave some photocopies of my bum for your colleagues to find."

"I'm sure they'd love that."

"Ahhh, you say the nicest things. I'll be there just after five." And she was. If anything, she was even hornier, having had time to think about the dirty things we could get up to – but she had been thoughtful enough to bring me a doggy bag.

"Well, you need to keep your energy levels up if you're going to fuck me properly." It was like heaven and hell where Beth was concerned – if only I could find a way to slow her down just a little bit. "So, where's the photocopier?"

We had a few photocopiers around the building, but the safest option was to whisk her up to the sixth floor and take her into the photocopying room where we would at least be hidden behind a swipe-controlled door.

Beth actually clapped her hands with excitement when she saw the collection of copiers. "Ooooh, this one does colour!" she exclaimed, popping the top open as she pulled her skirt up. She wriggled herself comfortable and then smiled at me. "What do you think? Ten copies?" It was hard not to be swept along by her exuberance, so I swiped my card and requested ten copies of my girlfriend's bottom. She grabbed the wad of paper from the output bin and studied each identical copy.

"The quality of these is amazing. Now I want some without my knickers." Beth pulled her underwear free and plonked herself down on the glass again. "Just a sec," she said, as I made to set the machine into action once again. Beth used her hands to pull her bum cheeks

apart. "OK, I'm ready." The machine whirred into life and faithfully spat out ten copies of Beth's pussy and arsehole in crystal clarity. Beth was pleased. "I've never seen my bumhole before. She held one of the pictures at arm's length. It looks like a centrefold from one of your magazines."

"It certainly does," I said. "Only you can't do this with a piece of paper." I slipped my hand up under Beth's skirt and pushed two fingers straight into her slippery pussy. The photocopies fell in a fan of paper as Beth bent forwards with a gasp of delight.

"Stick your cock in there, Mister, and you'll make this girl very happy." It was the most unnatural thing I've ever done to pull my erection out at work but feeling Beth's pussy twitching around my fingers meant I needed to do it. In her heeled boots, Beth was at the perfect height for me to jab my cock straight in where my fingers had been. "Let me taste them," Beth demanded, and I let my little sexpot suck and lick my fingers as I drove my cock right in to the root.

"Mmmm," Beth sighed. "Fuck it, fuck that naughty little cunt; push your cock right up into it." I imagined someone important listening at the door and turned my head to check. To my horror I saw that the door was cracked open and there were eyes watching through that crack!

"Oh fuck!" I thought, as Beth continued with her filthy utterances. Rather than close to, the door swung open and I recognised Laura, one of the assistants.

"Beth was at the perfect height for me to jab my cock straight in where my fingers had been."

"Sorry," she mouthed, slipping into the room. Beth spotted our female companion and if anything she increased the volume of her cries.

"Don't you dare stop," she hissed. I was trapped into having sex with my girlfriend in a room occupied by a rather attractive work colleague. "Fill me up baby. Can you feel my little cunt squeezing you? I want your come. I want you to come while she's watching."

As Laura set one of the printers into action, the noise of the machine muffled the squelching sounds of Beth's sodden pussy but it did nothing to mask her words. "That's it baby, give me all your spunk." I wanted it to stop; wanted to apologise to Laura but I needed to keep Beth sweet, so I pumped hard and fast, trying to get it over with as quickly as possible. Beth screeched with her own orgasm as after what felt like an age I started pumping my spunk into her wanton hole.

"I'm sorry," Laura said, as the noise died down. "This was really urgent."

"So was this," Beth replied, rubbing a tissue obscenely between her legs. "You know how it is." The way Laura screwed her face up told me that she really didn't. "But I'm good to go now." She gave me a peck on the cheek. "See you later, sweetcheeks," and in typical Beth style, she left – letting the door slam shut behind her.

"After what felt like an age I started pumping spunk into her wanton hole."

"I'm really, really sorry about that," I said to Laura.

"Yes, well. As it happens, I do know how it is." With that she gave me a wink and left, leaving me with a strange feeling that veered somewhere between horniness, confusion and shame. Anyway, Laura doesn't seem to have told anyone else at work about her discover, but she does seem to be catching my eye rather more often than before. I think I might have to ask her if she wants to help me do some copying upstairs sometime…

Al, Lewisham.

THE CRACK OF DAWN

Last summer I was on holiday with my wife, Dawn, when we bumped into a couple in their thirties, like us, who were having a drink in the bar of our hotel. We'd noticed the couple around the place once or twice but hadn't actually spoken to them, so when they said hello and asked us to join them we sat down, keen to make some friends while abroad.

After several drinks and quite a few dirty jokes, the couple, Lisa and Dave, confessed they were into swinging back home, and asked if we'd ever done anything similar. Of course we hadn't but we'd often swapped fantasies of what we'd like to do if the opportunity ever arose but, like most people, things like that didn't seem to happen to us. So, as I sat there, listening to the tales they were coming out with, I started to feel pretty horny, growing more and more excited by the thought of seeing Dawn getting stuffed with another man's cock. It was clear from her flushed face that she was getting turned-on by the prospect as well, squirming in her seat as Lisa described a particularly well hung bloke she'd shagged while Dave recorded them on his digital camera.

"More turned-on than I'd ever been in my life, I started to strip Lisa..."

"I whipped off my trousers and positioned myself at Lisa's rear..."

After a couple more drinks Dawn was clearly in the mood for a bit of fun so we agreed to go up to the other couple's room and take a bottle of wine with us. I couldn't wait to fuck Lisa. Tall, with shoulder length blonde hair and gorgeous round tits that strained out of her tight T-shirt as if trying to escape. Dawn, on the other hand, is small and petite, but her lovely firm arse make up for any deficiency in the tit department. Never short of admirers, she has long dark hair that she usually keeps tied back but this night she wore it loose. I'd noticed Dave ogling her several times during the evening and knew he'd shag her before the night was through. What I hadn't bargained on, however, was that things would move so fast. We hadn't been in their room five minutes when Lisa went straight over to Dawn and stuck a hand up her short skirt. Gasping with shock, she swung round to face Lisa, smiling over at me before kissing Lisa full on the mouth. From where I was standing I could see the women's tongues sliding over each other's, their lips moist and shiny with saliva as they snogged. Lisa's hand went back up Dawn's skirt and from the look of rapture on my wife's face I knew the other woman had found her slippery snatch.

Leaving Dave to continue watching the proceedings, I went over to the two women and lifted Dawn's skirt up over her hips and pulled her thong down to her ankles. Spreading her legs, she gave Lisa better access to her gaping pussy and I watched, horny as hell, as the other woman finger fucked her. More turned-on than I'd ever been in my life, I started to strip Lisa too, pulling her skirt down and lifting her top over her head. When both women were completely nude, I led them over to the bed and gently pushed them down, urging them to get dirty with each other.

Telling the girls to sixty-nine each other, I whipped off my trousers and positioned myself at Lisa's rear. Dawn's eyes held a look of surprise when she saw what I was going to do but instead of protesting like I thought she might, she ground her twat into Lisa's face while at the same time eating the other woman's hairy muff with more vigour, as if the thought of me stuffing Lisa's arse while she was tongue fucking her cunt really got her going. Glancing over at Dave I saw that he was now naked and was beating his meat to the sight of the girls.

Sliding my fingers into the hot, moist crack of Lisa's arse, I felt for her ring and fingered it, using Dawn's saliva and Lisa's cunt juices to lube it up. Meanwhile, Dave had climbed on the bed and was stationed by Dawn's bum, obviously intent on doing the same. By lifting Lisa's bottom slightly I was able to slide my cock between her buttocks and nudge my fat helmet against her tight little anus. Without even priming her with a finger, I began sliding my dick up her rectum, feeling the tightness of her dirty hole gripping it. Looking down on Dawn chewing her muff, I slid my cock all the way to Lisa's bowels, feeling her tense slightly when the whole length of my cock was buried in her dark tunnel.

> "She ground her twat into Lisa's face while eating the other woman's muff..."

From the grunts coming from Dave and Dawn I knew he was doing the same to my wife and the thought made me shoot my load a bit too soon. Instead of emptying my balls up Lisa's rectum, however, I quickly pulled out and shoved my dick between her legs, knowing that Dawn would cop the lot. Spattering wads of hot, thick spunk all over my wife's neck and tits as she sucked the juices from Lisa's pussy, I emptied my load with a loud grunt. Even before I'd finished wiping my dick on Lisa's arse Dave was pulling out of Dawn's dirt hole and spraying her arse with jizz.

For the rest of the holiday the four of us had a wild time trying out different positions in the privacy of our hotel rooms.

Colin, Maidstone.

Cast: Tommy Steel, Kimberly, Tarra White, Cherry Jul, Hrisanta.

PUMPKIN MEDIA
Cheating Housewives Go Black
UNFAITHFUL WHITE WHORES WHO LOVE BIG BLACK COCKS

Imagine my delight – not to mention surprise – when this film turned up for review with the proud boast that it starred Tommy Steel emblazoned on the sleeve! Blimey, he's come a long way since the days of the Little White Bull, hasn't he? But which role do you suppose he plays in a film with this title? One of the hapless husbands, whose cheating wife turns to the dark side? Sadly not, it seems that not only is the Tommy Steel in this film NOT the famed entertainer of yore, it's not even a man but a rather tasty flamper! A tasty porno flamper who's chosen the stage name far more fitting for a cocksman than a cock-jockey at that! Still, once I'd got over my disappointment, I found quite a bit of solace from watching the film itself…

The opener finds lovely Cherry Jul (confusingly called Sunny Jay on the sleeve) and Hrisanta lezzing it up enthusiastically until they're joined by a stud who's in his element as he gets between the girls. He spends plenty of time plugging one, then the other, while the spare girl gets as much vag to mouth action as she can. It's a blistering scene, and once the girls are sharing his jizz I'd completely forgotten about whatsisname.

Tarra's got a cock all to herself in the next scene, and manages it ably, as does Kimberly, who seduces a bemused-looking chap who's holding a tray of fruit by fellating a banana. Finally it's, oh, Tommy Steel, who gets a bumming for her troubles. Crash bang wallop, what a rude picture!

HARMONY
OVER 3.5 HOURS OF XTREME ANAL ACTION!
FUCK THAT ASS!

Fuck That Ass!

Harmony

Cast: Carla Cox, Angel Rivas, Liza Del Sierra, Maya Gates, Adrianna Rossi, Henessy.

Harmony has something of a reputation for full-on bummery, so any compilation of theirs that focuses exclusively on backdoor action is bound to have plenty of rich pickings to choose from. The first coupling, which sees big-cocked Danny D teaming up with super cute Maya Gates after picking her up while hitchhiking is undeniably a corker, although in fact the bumming that rounds the scene off feels like a bit of an afterthought – the action's been solidly vaginal up till that point.

Italian bigga-titta Liza gets us in the mood with some seductive smoking, which sure does the job for cocksman Marco, who's up and at her in no time. This time the anal's integral to the scene, intense and eye-watering with loads of great positions before they're done.

There are plenty more highlights in a flick that's all highlights to begin with – a pronging through the holes in her fishnets for Henessy is a corker, as is a poking for blonde-bushed Carla. If you haven't got the original films, this is a red-hot compilation for back-door lovers. **Available from your local sex shop.**

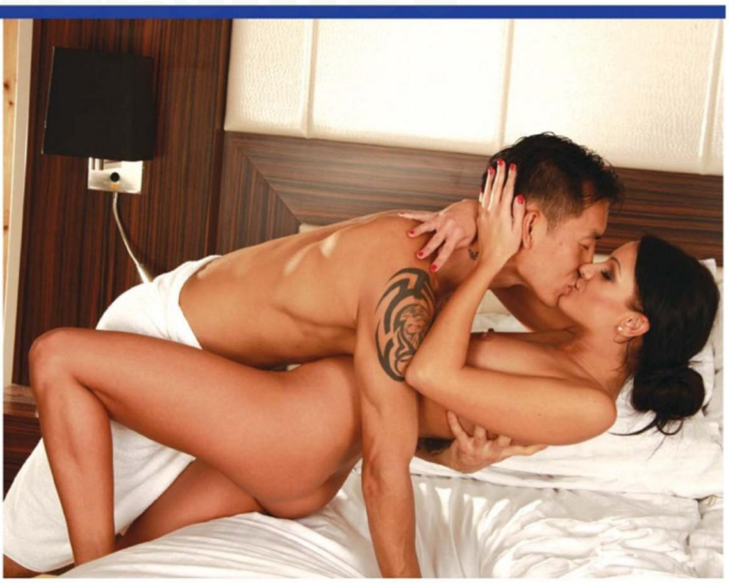
R18

Cipriana and her muscular, tight short wearing 'boyfriend' are enjoying a mute dinner on the decking, but before they've even finished their wine (what's wrong with these people? Nobody's that horny, surely!) they're heading inside for a spot of how's-your-father. Lover-boy's snug shorts are soon yanked down so Cipriana can wrap her warm lips around his hairless knob, and she certainly seems to savour it. Eventually though, and perhaps remembering the title of the film, they pair of them get nuddy and our stud gets stuck into her juicy slit. There's plenty of romantic snogging and caressing along the way, and after a bit of straight shagging they finally find themselves flipped for some 69ing. Oh, hang on though, they're not at it for long before they're both facing the same way again and more oral fun ensues, ending with a nice blowie. Hmm, a good couple-y scene, but a bit more 34.5 than full 69…

Scene two sees British/Asian stud Keni getting it together with Nia and once again there's a good deal of traditional oral action before the switch play. In fact the strongest part of the scene is probably the camerawork for the shagging, with certainly hits the spot, and the sound recording. The 69, when it comes, gives up plenty of blowie action, but precious little pussy licking, which is a bit of a shame if you ask me.

Well, the romantic couple theme continues, with Gina being blown away by her stud's skills on the piano and her stud getting blown away by her in return. There's lots of nice oral before they get it on in the bath. Erm, no actual 69ing at all, mind, which doesn't really detract from a good scene but does seem a wee bit remiss.

Kelly and Vanda Lust are another couple of hotties who keep the standard up through to the end. Tasteful, quality porn from the Viv Thomas stable, which is just what you'd expect. **Available from your local sex shop.**



British Gangbang Sluts

Your Choice

3/5

Cast: Carly G, Rebecca More.

Your Choice
CARLY G AND REBECCA MORE
BRITISH GANGBANG SLUTS

There's no mucking around with this flick, which starts of with brunette Carly and blonde Rebecca fondling each other's boobs while a gaggle of guys stand around them in their undies. With an admirable stream of dirty chatter the girls quickly sink to their knees and get to working slurping on one eager cock after another. A couple of the guys are wearing Zorro masks, but the girls don't let that put them off and they chomp away merrily. As it turns out, there's no actual knobbing to begin with – we're in bukkake territory more or less, with Rebecca extolling her love of spunk as one guy after another gives her a dose. Mind, once all the guys have dropped a load the shagging begins. Well, you can't fault the girls' enthusiasm, and they certainly earn their second doses of manfat. Two more scenes follow along similar lines, with latex introduced to a greater or lesser extent. No fancy frills, but credit to the cock-hungry performers! **Available from your local sex shop.**

Dirty Masseur 4

Brazzers

4/5

Cast: Aletta Ocean, Brooklyn Lee, Alexis Monroe, Karina White, Diana Prince.

BRAZZERS
THE WORLD'S BEST IN BIG TITS!
DIRTY MASSEUR VOL. 4
Boobs Butts & Oil

It's obviously hard work being a big-boobed porno flamper in this day and age – all that getting boned on film is enough to leave your body a tangled knot of tension, so it's little wonder they need a rub-down once in a while. Aletta's clearly glad to have a break from all that pro-knobbing, and couldn't look more relaxed than when she's on the table getting a massage. Oh, but the cheeky masseur's spending rather a lot of time on her bum there, isn't he…? Argh, it seems there really is no respite for these girls after all – he's got her legs splayed now and is feasting on her oily smoo! In the end the poor girl can do nothing but to submit to the sort of back-door boning she'd clearly been so keen to get away from for a carefree hour or two. What rotten luck!

It's very much the same, sorry to say, for Brooklyn, who doesn't actually look too put out, as it happens, and the others as well. Really, there's no rest for the wicked after all! **Available from your local sex shop.**

AMANDA

VINTAGE Men Only

This set of Amanda Sinclair was shot by the one and only Joanie Allum for volume 55 issue 7, all the way back in 1989! Does it ring any bells with any of our more established readers? If so, here's the good news – one lucky reader can win a copy of the entire set! Just tell us the name of the model who's listed after Amanda Sinclair on Joanie's website www.joanieallum.com and email your answers to Men Only, Paul Raymond Publications, 23 Lyon Road, Hersham, Surrey, KT12 3PU, or email us at menonly@paulraymond.com by March 7th 2014!

SUNNY

Photos: Twistys

ogs.net

Sunny with showers – sounds like one of those half-baked forecasts the Met Office likes to dish out year in and year out when they're too ashamed to say that they haven't got a clue what the weather's going to be like. So do you wear your socks and sandals or not?

Ahem, anyway, this time we've got a much better Sunny/shower combination, with the super-horny Sunny Leone giving us a little insight into her bathroom routine – a routine that seems to involve very little actual washing and a great deal of gazing at the camera moodily while water cascades down over her wondrous boobs!

"Believe me, you don't want an accurate reflection of my typical bathroom routine!" she joked. "All that plucking, shaving, exfoliating and moisturising – it's not a particularly sexy spectacle!"

Well, maybe not, but if we're going to watch anyone pluck, shave, exfoliate and moisturise we can't think of anyone else we'd prefer! And besides, the fantastic results of such a rigorous grooming regime are there for all to see! No matter how clueless the Met Office might be, we reckon even they could forecast that our readers will love this set!

What a cracking way to wind up another issue of the nation's longest-running gentlemen's 'special interest' magazine! Veronica would be a tasty enough treat on her own, but dolled up in that classy lingerie she's just the thing to put a spring in your step (not to mention lead in your pencil) and keep spirits up until next month's issue hits the stands! So how does it feel, sporting stockings and sussies, Vron?

"Actually it's pretty weird. I've never really worn stuff like this before. I'm not sure who I'd do it for either, because the guys I've been out with are generally happy enough to get me naked, without all this extra paraphernalia to get in the way!"

We dare say they are, and if we're honest we'd doubtlessly be pretty chuffed to get you in the nip as well, but while we wouldn't say the lingerie represents an improvement on nature, it certainly adds a little something which discerning men are bound to find alluring. Perhaps if you'd like to snare a more sophisticated gent, this is the way to go!

"Sophisticated like you?"

Erm, yes. Oh, never mind!

Coming next month

Issue 79.03 on sale March 7th

Bloody hell, next issue it'll be March again? Is it just the excitement of putting *Men Only* together every month, or are the passing years starting to speed up alarmingly?! Either way, one thing that'll definitely be speeding up alarmingly is everyone's heart rates when they clock the girls we've got in store for you next issue – not least the lovely Scottish lassie Sophia Knight, who's sure to get the old sap rising once again!
